**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 23     You shall reside in a residential reentry center (RRC) for a period of up to 120 days. You shall abide by the rules and requirements of the facility and shall participate in programs offered by the facility at the direction of the supervising officer.

**CAUSE**

Christopher Cook violated the conditions of his supervised release by consuming cocaine on or about October 28, 2009, and vicodine on or about November 4, 2009, contrary to standard condition #7.

On October 28, 2009, Christopher Cook was summoned to New Horizon Care Centers for urine testing. The specimen was tested on site and returned a presumptive positive reading for cocaine metabolites. The sample was subsequently forwarded to the laboratory for confirmation.

On November 3, 2009, Christopher Cook was summoned to the U.S. Probation Office in Spokane, Washington. Mr. Cook denied consuming controlled substances. On November 4, 2009, the undersigned officer received confirmation that the sample collected on the aforementioned date was negative for cocaine, however, showed abnormal results and the specimen validity status was dilute. Essentially, the results reflected there may have been an attempt to circumvent the phase urinalysis testing program by the offender.

On November 5, 2009, Mr. Cook was again summoned to the probation office. At that time, Christopher Cook admitted he had consumed cocaine while associating with a male acquaintance in the community. Mr. Cook also admitted to consuming vicodine without a legitimate prescription. Christopher Cook signed an admission of drug use form acknowledging he consumed the above-mentioned substances.

**Re: Cook, Christopher Jon****November 10, 2009****Page 2**

Mr. Cook has obviously experienced problems while adjusting to supervision. He commenced supervised release supervision on July 24, 2009, following release from Bureau of Prison's custody.

The offender currently resides with his wife and two daughters. Mr. Cook's use of illicit substances has created relationship problems between he and his wife. The undersigned referred Christopher Cook to mental health counseling in an effort to address his long-standing emotional health and relationship problems with his wife. He is expected to continue to avail himself for substance abuse counseling at New Horizon Care Centers. As a result of his use of illicit substances and prescription medication abuse, the level of care has been increased.

The offender has agreed to participate in a residential reentry center (RRC) program for a period up to 120 days. Christopher Cook is amenable to this placement, as it gives him the best opportunity to address his long-standing chemical dependency issues while seeking stable employment. The undersigned will facilitate placement at the RRC, if Your Honor concurs.

It is respectfully recommended that the attached waiver of hearing to modify conditions of supervised release be adopted to require Christopher Cook to reside in, and satisfactorily participate in, a RRC program as a condition of supervised release, up to 120 days.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 11/10/2009
